Mr. and Mrs. C. C. Degman of Springdale  
are carrying heavy hearts this week over the  
departure of their daughter, Mrs. Martin, for  
Alberta, Canada, on Tuesday last. Mrs.  
Martin goes to join her husband, Preston T.  
Martin, who, with their daughter, Ruth, went  
there last August to investigate the possi-  
bilities for permanent location. They are  
highly pleased, and have a claim of 160 acres  
of land on the banks of a lovely lake fourteen  
miles long with an average width of one mile,  
which abounds with fine fish. There is twenty-  
five acres of poplar and spruce timber on the  
land and a sawmill was near, so a good house  
awaits the family. Mr. Martin and Ruth will  
meet them in Edmonton, where a few days  
will be spent viewing the city. That pros-  
perity may attend them is the wish of their  
many friends in Kentucky.

NOTICE

Street Paving and Side-walk Ordinances

All persons are hereby notified that at the regular meeting of the Board of Council of the City of Maysville, held at the Council Chamber on the 6th day of February, 1911, an ordinance was regularly introduced, read and received and referred to the proper committee, ordering the original construction of vitrified brick streets with cement curb and gutter on West Second street, from the West margin of the E. P. Browning property line extended, thence West to the East margin of the bridge or culvert over Heasley creek; also, on East Second street, from the East margin of Market street to the West margin of Limestone street. And at the regular meeting of Council held at the Council Chamber, Maysville, Ky., on the 6th day of March, 1911, an ordinance was regularly introduced, read and received and referred to the proper committee, ordering the original construction of cement sidewalks on Forest avenue, on the North side from the West margin of the A. F. Curran property, and on the South side from the West margin of James Collins' property, thence on both sides to Lexington street; and on the North side of Forest avenue, thence from Lexington street to Union street; and on both sides of Main street, from Second street to Forest avenue; and on the South side of Forest avenue, from Houston avenue to Wood street; and on both sides of Houston avenue, from Second to Third street; and on the West side of Market street, from Third street to Fourth street; and on the North side of Fourth street from Market street to Sutton street; and on the East side of Plum street, from Fourth street to Fifth street; and on the South side of Second street, from Cass to Government street; and on the East side of Government street, from Second street to the Postoffice lot; and on the North side of Fifth street, from Plum street to Bank street. And cement curb and gutter on both sides of Limestone street, from Second street to Fourth street, and cement curb and gutter on North side of Fourth street, from the Mrs. Lalley property to Mulberry alley, except where heretofore constructed.

Said constructions to be on the ten-year bond or payment plan, and to be paid for by special assessments upon the property fronting, bordering and abutting upon said streets as authorized by Section 3572, Kentucky Statutes, and the amendments thereto.

Said ordinance, together with the plans and specifications for said constructions, are on file in the office of the public at the office of the Mayor of the City of Maysville, and are subject to a second reading and final adoption at the next regular meeting of the Mayville City Council, to be held at the Council Chamber, Maysville, Ky., on April 3, 1911.

Fortune Telling

Does not take into consideration the one essential to woman's happiness—womanly health. The woman who neglects her health is neglecting the very foundation of all good fortune. For without health she loses its lustre and gold is but dross. Womanly health when lost or impaired may generally be regained by the use of Dr. Pierce's Favorite Prescription.

This Prescription has, for over 40 years, been curing delicate, weak, pain-wracked women, by the hundreds of thousands and this too in the privacy of their homes without their having to submit to indecicate questionings and offensively repugnant examinations.

Sick women are invited to consult Dr. Pierce by letter free. All correspondence held as sacredly confidential. Address World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

Dr. PIERCE'S GREAT FAMILY DOCTOR BOOK, "The People's Common Sense Medical Adviser," newly revised up-to-date edition—1000 pages, answers in Plain English hosts of delicate questions which every woman, single or married, ought to know about. Sent free, in plain wrapper to any address on receipt of 21 one-cent stamps to cover mailing only, or in cloth binding for 31 stamps.

Tom L. Johnson is again in a serious condition at Cleveland.

You are invited to attend the Spring Military Opening, Wednesday, March 29th. Anna B. King, 44 West Second street.

E. Weis, the Market street meat merchant, has taken into partnership his son, W. W. Weis, and the firm is now E. Weis & Son. The change took place this morning.

Mr. James Brannon of North Fork, one of Mason county's most prosperous and prominent farmers, is in Maysville today visiting with friends, who are extending congratulations on his reaching his fiftieth birthday, this, March 25th. The Public Ledger begs to felicitate him and wish him many happy returns of the day.

Four Score Years  
Georgetown (Ohio) News Democrat.

Mr. and Mrs. John Brady returned last week from Maysville, Ky., where they attended a family reunion in celebration of the eightieth birthday anniversary of Mrs. Brady's mother, Mrs. Nancy Downing. A sumptuous, three-course dinner was served to twenty children and grandchildren, the centerpiece being a large birthday cake with the word "Mother" and the date, "March 12, 1911." Mrs. Downing was showered with gifts in honor of her birthday and all departed, feeling that time had turned backward in his flight.

Mr. and Mrs. C. O. Thomas, who have been on a visit to relatives in the county, have returned to their home in Chicago.

Dr. W. S. Yazell, while still on his feet, has been quite indisposed for the past week.

Mr. A. C. Strode and wife of Chester, Montana, were entertained yesterday at dinner by the former's sister, Mrs. Harvey C. Ball, of Sutton street. Mr. and Mrs. Strode recently returned from a bridal trip to the South Sea Islands and will visit for a few days in this city before returning to their far-away home.

Miss Audrey Williams, the talented reader and impersonator, who recently charmed and delighted a large audience at the Third Street M. E. Church, will appear in an entire new program at this Church Friday, April 7th, under auspices of Epworth League. Admission will be 25 cents. Tickets on sale soon by members of the League. Don't miss hearing this talented young lady.

Narrow Escape

John Tucker, aged 66, a resident of Maiden's Lane, East of Lexington street and South of Forest avenue, came near going to Kingdom Come this morning about 6 o'clock. He is said to have been gathering coal at the C. and O. crossing at Walnut street, and in the passing of two freight trains, East and Westbound, he became confused and in stepping out of one danger ran into another, being struck a glancing blow and knocked into a ditch. It is not thought that he is internally injured, although he received a scalp wound, an ear cut and back sprained.

TWO SICKLY CHILDREN

Made Well By Vinol—Letters From Grateful Mothers

New Haven, Conn.—"My little girl ever since her birth was frail and sickly and nothing seemed to do her any good until we tried your cod liver and iron tonic, Vinol. As soon as she commenced to take it, I noticed an improvement in her health and appearance. She has now taken three bottles of Vinol and from the good it has done her I can say it will do all you claim for it in building up and strengthening frail and delicate children." (Name furnished on request.)

Another mother of Chicago, Ill., writes: "My little girl was thin, run down, pale and without any appetite. Vinol gave her a good appetite, she has rosy cheeks and has gained rapidly in flesh and strength."

"I cannot say too much in praise of Vinol for delicate, ailing children."

We ask every mother of a frail, sickly or ailing child to this vicinity to try Vinol on our agreement to return their money if it does not do all we claim. John T. Pecor, Druggist, Maysville, Ky.

## "The Dream is Short, Repentance Long"

A good headline to fix well in your head, especially in these days of buying new spring men's wear. There's many a suit, plus an attractive price card, to many a clothing store window that seem the dream of tailoring perfection—in the window. But you cannot use it, as the store does, to decorate a window with. Rushing to buy such suits, lead by the price ticket, may give you something to regret for many a day. Look at the suit, not the fancy price ticket; look at it well and consider how it will look in eight weeks. Better not experiment. Come here instead, the store of satisfaction and guaranteed clothes.

There will be an all day rally at Crescent Creamery Saturday, April 1st. The object of this rally is to discuss existing conditions of this industry and its prospects for the future. It will pay the thoughtful farmer to let his plow rest on that day and attend this meeting. Much information will be given on the subject of "raising cattle for profit." Expert speakers with statistics and references will be present and local reports and tests will be made. Reports of other Creameries are requested to attend. Let the farmers bring their families and a basket of lunch, and make it an enjoyable as well as a profitable day.

## 20% UNDERFEED INVESTMENT

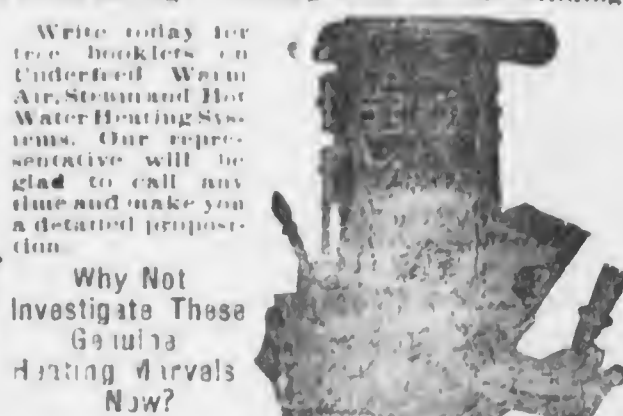

Most heating systems are an actual drain on the domestic treasury. If you want to enjoy a real everywhere division, tear out your old gluttonous coal-burner, with its uneven heat and hard-to-satisfy appetite for fuel. Put in a

### PECK-WILLIAMSON UNDERFEED FURNACE OR BOILER

Choose the system you like best—warm air, steam or hot water. Cheap and clean in the United States, it yields as much heat as most expensive systems; which ordinary heating plans require. All the fuel is on top and has to eat down into the furnace, against the draft. Consumption is slow and perfect, and smoke, soot and gases are entirely eliminated. This enables Underfeed Furnace and boiler to
